Gatlinburg, Tennessee 37738

— A Major Visitor Attraction of the Smokies —

At the age of 12 Jesus has been brought by his parents to Jerusalem during religious feast time, where the Lad found himself drawn irresistably into the Temple. Here he astonished the learned doctors and elders "by his understanding and answers." Other numerous realistic scenes in similar lifelike manner depict vital chapters in the life of Christ in spacious dioramas at CHRISTUS GARDENS.
